

How to View Online Lectures

1. After you have completed your purchase that includes online lectures, you must log out of your account and log back in.
2. Once you have performed step 1, navigate to the “Online Lectures” tab at the top of the page.

3. Click on the “Online Lectures” page and you’ll be taken to the landing page with links for all of the online lectures; you will only be able to properly access the lectures that you purchased:

9. If you click on "Click Here to Return", it will take you back to the main page for that lecture. You can re-watch the lecture again, this time being able to fast-forward through it. You can also view your quiz in the "Lecture History" chart; this also allows you to print your certificate again if need be.
10. Once you view other lectures and complete additional quizzes, they will also be viewable in the Lecture History area. Please keep in mind that you have access to the Lecture History area for the duration of your lecture subscription. After this time is up, you will not be able to view or print your CE Contact Hour certificates again. **Please save a copy of the certificate to your computer or print it as a PDF for a permanent copy of the certificate.**
11. To begin watching additional lectures, start over at step #3.
