The Foundation cannot guarantee that devices not listed and those of a lower quality will allow you to view the lectures. **To test your device against our video player and to experience the format of an online lecture, click [here](#).** If you are unsure of your device's operating system or web browser version, Google your device name and "how to find browser version/operating system".

2. Once you have purchased the lecture(s), you will have 30 days to view them and take the associated quiz to earn the appropriate CE Contact Hours and print your CE Contact Hour certificate. After 30 days, access to the purchased lecture(s) is removed and you will not be able to view the video or print your CE Contact Hour certificate.

3. Once you start to watch a lecture, you can pause it rewind it in 10 second increments; after you've successfully watched the lecture one time, you'll be able to re-watch it as many times as you like and fast forward during the 30 day viewing window. Until you have fully watched the lecture one time, you will not have access to the accompanying quiz.

4. The videos are NOT in an on-demand format so the pause function is meant as a temporary stoppage in playing of the video. If you close the window while a lecture is playing, you will need to re-start the lecture from the very beginning when you return to that page, the video WILL NOT return to the position when it ended.

5. Once you have viewed each lecture, you will be required to take a quiz that will validate that you have in fact watched the lecture. The quiz will be 5 multiple choice or true/false questions and is untimed. After you successfully complete the quiz, you will immediately be able to view your CE Contact Hour certificate and print it. At the bottom of the page on which you view a lecture is a link to an evaluation for the lecture. Access to the page containing the CE Contact Hour certificate(s) ends after 30 days from the time of the purchase and reprints of certificates required after this time period are \$15 each, plus a one-time \$50 administrative fee.

6. If you are watching a lecture and you encounter computer/technical issues, you will need to re-start the lecture from the beginning.

7. You have read and agree to the Cancellation/Refund policy for the lectures, which states that all purchases of the Online Lectures are final; the Foundation is unable to issue refunds for those who would like to cancel their purchase due to the digital nature of this course.

By purchasing Online Lectures, you agree to these terms and conditions, as well as those listed on the details page for each individual lecture.
