

# CALL FOR ABSTRACTS SUBMISSION FORM

## Research Title

The information entered here will be the name your abstract is referred to throughout the entire process.

## Authors Names, Contact Information, and Disclosure Notifications

The authors should be listed in the order you wish them to be published. Author #1 will be considered the corresponding author. The Foundation will send all correspondence related to the abstract and, if applicable, the poster to Author #1.

Each author listed must select if they have any financial disclosures that should be made known related to this abstract. A detailed disclosure form will be made available once the abstract has been submitted; each person checking "I DO have financial disclosures related to this abstract and will disclose specifics once this abstract is submitted" will be required to fill out this form.

### Author #1 First Name (required)

### Author #1 Last Name (required)

### Title

You may also include any designations here that you wish, such as FACFAS, AACFAS, etc.

### Author #1 Address

### Author #1 Address2
